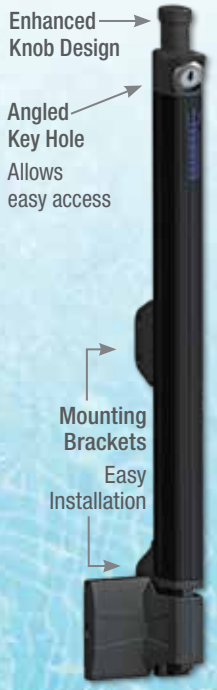
TRIDENT™ MAGNETIC GATE LATCH

by NATIONWIDE INDUSTRIES

1 MILLION Warranty

Patented

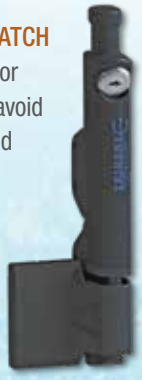


20" TRIDENT™

The TRIDENT™ SAFETY GATE LATCH has a significant amount of play or vertical tolerance. This helps to avoid problems with sagging gates, and allows for simple installation.

The SAFE-NOTCH® feature engages if someone steps or climbs on the gate, further ensuring your gate will stay closed.

With the LATCH WHEN LOCKED™ feature, the latch will engage even if cylinder is previously locked on the opened gate.



10" TRIDENT™

Trident™...strong magnetic closing power, easy installation and guaranteed to last!

- Sophisticated, modern design
- Rust-resistant components
- Meets international pool codes*

*Please check local pool codes prior to use.
